**Home Fellowship Ministry:** Our Home Fellowship Groups consist of six to twelve adults that meet at least once a month in people's homes to discuss the Sunday morning sermons, share what the Lord is doing in their lives, pray with one another, and spend time in fellowship.

**Missionary Interaction:** We desire for this body to have ongoing access and interaction with Missionaries. We provide opportunities on a regular rotation for Missionaries to speak on Sunday Mornings and Evenings (Adults), Wednesday Evenings (Children and Students).
